Come stay with us totally free spirit!

We sincerely hope that you have had a peaceful lockdown.

We also hope that you continue to take care of yourself, yours and others by leaving masked and respecting daily barrier gestures.

You can read below some clarifications on our commitment to this health crisis.

We are doing everything possible to welcome you in the best possible hygienic conditions ut above all by trying to preserve all our human dimension ...

Your reservation on www.hotel-cecil.com

We are proud of you and we sincerely thank you for making your reservation on our own website. It is just as simple, secure and even more advantageous for you ...

In this difficult period, a «direct» reservation is a customer relationship established on best ways. Today and more than ever, this relationship seems essential to us: that will be easier to implement the exceptional reception protocols smoothly to accomodate you safely and make your stay as a real moment of relaxation in our place.

Book on our website is to find those best points:

- a more attractive «night» rate, cheaper than anywhere else,
- a more attractive «breakfast» rate, cheaper than anywhere else,
- more interesting booking flexibility as nowhere else,
- a personalized reservation confirmation,
- a privileged contact with Delphine, manager of the hotel,
- all the practical advices you need to prepare your trip,
- all the practical and essential advices for your best arrival at the hotel,
- in those uncertain days, all the explanations you wish concerning the sanitary hygiene protocols that we put in place to ensure the safety of your health ...

More flexibility

Holiday guests, do not be worried: for all your reservations until the end of the 2020 summer season (*end of October*), the cancellation conditions linked to Covid-19 will be framed by the French Ordinance of March 20, 2020 (*and will apply to both parts*). All cancellations, whatever their rate options, will be accepted if they are justified either by the contraction of the virus or by the application of new government reception or traffic rules. The amounts collected (*the entire amount of your stay or the 30% deposit*) will be converted into «credits» and will be valid during 18 months from their creation.

Some health protocols

We are studying at best all possible solutions to welcome you in the best sanitary conditions by modifying some habits in our establishment. We will adopt the sanitary hygiene protocols of our corporation when they will be established by the government and Atout France in order to welcome you safely and with a free spirit.

To protect your health and also our staff, we will give you upon your arrival some practical advices which you will have to respect all along your stay (*social distancing, wearing a mask, systematic cleaning of your hands, sense of walking in the hotel, use of the stairs or the elevator, etc.*).

It is by acting together that we will create a light, calm and cheerful atmosphere!

Unknowns...

Others than sanitary hygiene protocols, there are still many:

- the official date of the reopening of the hotels,
- the official date of the reopening of the restaurants,
- the official date of the reopening of public beaches,
- the official date of the reopening of private beaches,
- the official date of the reopening of the cultural centers,
- the number of kilometers that you can travel to reach us,
- the official date of the reopening borders and international airlines flights...

Contact us, we will surely have good news for you!
